

BX of Dayton Team Building Night Special Event:

Safety Fund Silent Auction

Join us for the first annual fundraiser auction to benefit the **DBX Safety Fund!**

The DBX Safety Committee is pleased to introduce a new initiative to support our Members' Safety Programs. Safety should be the primary focus for all of us. Our goal is to do all we can to see that no one suffers from a work-related injury, or worse yet, a fatality. The Safety Committee has identified where they can assist members with their company safety programs. Funds raised at this auction will be used to help launch programs that provide this assistance.

How can you get involved?

- **Donate** an item to the TBN Safety Fund Auction at bxdayton.org
- **Attend** Team Building Night and bid on some great auction items

Team Building Night will be held at the **Eichelberger Pavilion** at Carillon Historical Park on **Thursday, August 10, 2023 from 4-6 pm**. The auction will run from 4-5 pm. **All auction item donors will be recognized** on the DBX Facebook page, in the TBN Program, and in an issue of the DBX Journal Express! Check out the "Team Building Night" tab at bxdayton.com for more information and for online registration. Be sure to also nominate a member of your team for an award!

Have questions or need more info? Contact Emily at the DBX Headquarters at emandich@assnsoffice.com or call 937-278-5723
