United Way of the Greater Dayton Area is proud to partner with Morris Home and Secret Smiles to provide beds for children in need at our annual Hope to Dream Event. Every year, at least 50 Children throughout Montgomery, Greene and Preble Counties receive a new bed of their own.

Providing a child with a bed to sleep in each night is essential for their physical health, emotional well-being, and overall development. It fosters independence, supports healthy sleep habits, and contributes to a harmonious family environment.

The annual event kicks off with a curtain-unveiling of a gym full of beds. Following the reveal, volunteers gather the beds to prepare them for delivery so each child may enjoy their new bed that same night.

Since the inception of Hope to Dream, 375 beds have been delivered throughout our three county service area.
